Initial Case Report

Case Report # 2018-00009189

NARRATIVE

On January 24, 2018, at approx 0944 hours, I responded to the 7th floor of 916 Pacific Ave (Fairfax Behavioral Health). A nurse on that floor had called to report an assault that occurred between two inpatients.

I spoke with [REDACTED] who stated that he had been standing in front of the payphone watching out for another patient who was talking on the phone. [REDACTED] said that Suspect [REDACTED] walked up to him and punched him in the face with a closed fist. The attack was apparently unprovoked. [REDACTED] stated that the blow knocked him down, and when he got back to his feet, [REDACTED] slammed him into the wall. [REDACTED] stated that he was not injured and there were no visible marks. [REDACTED] completed a written statement, which was submitted with the report.

I attempted to speak with [REDACTED] and advised him of his Miranda rights. [REDACTED] declined to talk with me. I provided the nurse with my name and the case number.

The nursing staff advised that [REDACTED] has a history of unprovoked assaults. They explained that he hears voices and acts out on those voices. They advised that he is currently at Fairfax Behavioral Health [REDACTED]
